

Dear Colleagues,

We have the pleasure to inform you that the Joint State Conference, West Bengal State Branch of IPS & IAPP will be held at Berhampore, Murshidabad, on 10th & 11th September 2011. The theme of the conference will be 'Women Mental Health'. We, on behalf of organizing committee extend you a very cordial invitation to attend the conference.

Berhampore town is the head quarter of Murshidabad district, situated on the bank of the River Bhagirathi, about 200 km north of Kolkata and well communicated by trains and buses. It is served by two railway stations namely Berhampore Court on the Sealdah-Lalgaola line and Khagrachhat Road on the Howrah- Farakka Line. All the buses to North Bengal pass through Berhampore. Murshidabad town, popularly known as Lalbag is about 10km from Berhampore. Murshidabad (named after Murshid Quli Khan, once the capital of Bengal) Subah was said to be bigger and more prosperous than the contemporary city of London. Nawab Siraj-ud-Daula ruled Bengal from here and lost to the British in the Battle of Plassey in 1757.

There are many places of historical and tourist interest in Murshidabad and neighbouring districts.

Places like Hazar duary, Iman Bara, Motijhil, Kath Gola, Kabra Masjid, Maharaja Nanda Kumar's residence, Kama Subarna etc. will unfold the history of past glory before you. Farakka Barrage Complex, Gour, Adina, Pandua etc. are situated in Malda district and Bakreswar, Tarapith and Santiniketan in the district of Birbhum.

Murshidabad district is famous for fine silk sarees and Khagra for brass, Ivory and Shola Crafts.
